

## GENERAL CONDITIONS OF QUOTATION

- 1) All quotes provided are in Canadian Funds, unless expressly stated otherwise.
- 2) Quotation is valid for 90 days from date of request, unless otherwise expressly stated.
- 3) Triton's price is subject to change, if weights are different from those stated in the original quotation. The price may also be subject to change should any of the nominal dimensions vary from those stated in the original quotation.
- 4) Quoted prices do not include any applicable taxes, taxes will be charged appropriately as per the legal governing jurisdiction.
- 5) Terms: Net 30 Days from invoice date. Interest at 2% per month (24% per annum) charged on all overdue accounts.
- 6) In the event that Triton is delayed in the performance of the works due to the fault of the purchaser, its' employees, servants, agents or contractors of the purchaser other than Triton, Triton shall be entitled to be reimbursed for any costs which it incur as a result of any such delay. Time and material rates for labour and equipment shall apply.
- 7) Triton represents that it will make every reasonable effort to make delivery as requested, but the estimated pickup or delivery time is not guaranteed.
- 8) Rates are predicated on the goods being released at a value of \$2.00 per pound, per article not to exceed \$100,000.00 per entire truckload (the released value). If actual cargo value is greater than such released value, customer must conspicuously declare a greater value on the face of the rate confirmation sheet, which is accepted by the carrier in writing prior to loading; and, in such case, an Excess Valuation Charge shall be added to the quote in addition to all other rates. Otherwise, absent proper declaration of excess value, the shipment shall be transported under the released value stated herein.
- 9) This quotation will be limited to the scope of work detailed herein and will be governed by the terms and conditions set out in this quotation.
- 10) Loading and unloading is the responsibility of others. Triton Transport equipment may require assistance with assembly and disassembly, if so, it is understood to be completed free of charge on site.
- 11) Prices are subject to purchaser providing Triton with access, ample room and suitable ground conditions to perform the work as outlined. Access shall include removal of any obstacles and/or utilities as required by Triton.
- 12) Subject to the availability of equipment at time of firm order.
- 13) Quotation is subject to permit approval from the required jurisdictions. All charges for changes in conditions to permits will be additional.
- 14) Shipping drawings must be provided showing centre of gravity, orientation of nozzles etc. Any estimates will assume centre of gravity to be centre of structure being loaded.
- 15) If loaded dimensions exceed 16', or gross weight exceeds 200,000lbs, a minimum of 60 working days' notice is required to obtain the proper permits. SuperLoad applications must be approved prior to loading.
- 16) It is understood that any and all pieces of equipment or material being transported or relocated by Triton do not contain hazardous materials.

- 17) Triton reserves the right to broker or subcontract loads as deemed, within its sole discretion, to be necessary and appropriate. Unless otherwise agreed in writing, these Terms and Conditions shall apply to any brokered or subcontracted load.
- 18) Rates are not valid during seasonal road restrictions.
- 19) If an item, route or site inspection is required, it shall be charged as an additional cost to the quoted rate.
- 20) Triton's price is based on four hours for loading and four hours unloading of equipment. Any demurrage accruing (through no fault of Triton's) wherever the same shall be the responsibility of the purchaser.
- 21) Wire lifting, utilities, police escorts, sign crews, bridge surveys or engineering, if required, will be billed additionally at Triton's cost, plus ten (10%) percent.
- 22) Tarping, wrapping, sealing or protection from any natural elements, road spray if required, will be billed additionally.
- 23) Any delays in transportation due to conditions outside of Triton Transport's control (road closures – weather – acts of god) may be subject to additional charges for personnel and equipment.
